In 2018, the YMCA of Columbia-Willamette is celebrating 150 years of service in our community throughout NW Oregon and SW Washington. Last year more than 68,000 people participated in our programs, and that is truly something to celebrate.

Because of our mission, focused on the Christian principles of love, respect, honesty, responsibility and service, we provided more than \$1.6 million in financial assistance. As a result, more children, families and adults of all ages could access life-enriching programs that build healthy spirit, mind and body for all.
