BSD ELEMENTARY SCHOOL GUIDELINES & RULES

The following rules and guidelines are to be followed at all Beaverton School District Elementary Schools. Some schools may have certain rules that must be followed within their facility. The BSD reserves the right to deny us use of their facilities if we do not comply with these guidelines:

- No food or drink in gyms by players or spectators (even water).
- No throwing or bouncing balls in hallways.
- No one is to be on the stage (players or spectators).
- No hanging from rims or other gym equipment.
- Make sure the floor is swept prior to leaving the gym at the end of your scheduled use.
*After sweeping floor please put remains in appropriate container.
- Chairs for games and practices are the GM's responsibility. Set them up and put them away.
- Keep participants safe, off stages and all gym equipment (ropes, mats, uneven bars, etc.).
- Stay out of classrooms, hallways and any other area not approved for use. Players should be in gymnasiums designated hallways or restrooms only.
- Players using the restrooms should go directly to the restroom and back to the gym immediately. Some schools require an adult to accompany them to prevent injury.
- No players are allowed in the gym without adult supervision.
- Make sure the facilities (gym, restrooms etc.), are presentable. Before you leave, do final check of all areas used during shift.
- No pets allowed in buildings or on school property.
- No smoking or any form of tobacco is allowed on school premises.
