REGISTRATION

To Register

Participants must complete an enrollment packet, provide registration fee and first month's payment prior to attending care.

A 10% discount is applied to the lowest rate if more than one child per family is enrolled.

Please Note:

Monthly fees are due on the first of each month; we offer bank and credit card draft options, as well as an on-line payment option.

Additional Days/Care

Need to add or change a day of care from your regular schedule? These days are on a space available basis and must be pre-arranged/paid with the Center Director. Please refer to the Added Day Fees above. We do not provide the option to switch any day that you may currently have for another day due to a personal or schedule conflict. Care over 10 hours per day will be assessed an additional \$15 fee due to state regulations.

Financial Assistance is Available

The YMCA provides financial assistance to low-income families through a confidential application process. Scholarship forms can be obtained from the Center Director or from our website at www.ymcacw.org.
