### HEALTH AND WELLNESS

Healthy communities start with individual change—but it takes encouragement and communal support to empower people to make and maintain lifestyle changes. We will always be the place that welcomes everyone with open arms and empowers them to live healthier lives.

### YOUTH SPORTS

What happens off the field is just as important as on the field. We give kids an outlet to be themselves while role models teach self-confidence, promote diversity and increase self-esteem through our youth sports. Kids who participate develop meaningful relationships and skills while having fun.

### EARLY CHILDHOOD DEVELOPMENT

We prepare kids to learn, grow and thrive in an environment that engages their natural curiosity. Our trusted staff model our Christian principles so children can practice them in everyday life. Parents entrust their infants, toddlers and preschoolers to the YMCA during the critical stages of early development.
