

### **PHYSICIAN'S APPROVAL**

There may be a risk associated with vigorous exercise. We recommend that you consult your physician before you undertake a program of increased physical activity.

### **MONTHLY DUES**

There are two options for payment of monthly dues. You may pay by the "Electronic Funds Transfer" (EFT) work system on a consecutive monthly basis or prepay on an annual basis. "EFT" withdrawals are made on the 1st or the 15th of each month. If you chose the "EFT" method of payment, we must have Authority to Draw Preauthorized Debit/Credits form on file plus a preprinted voided check from the bank of your choice to request your bank to transfer your monthly membership dues. Membership is continuous and monthly dues shall continue to accrue until a cancellation form is received in person and processed at least 5 business days prior to the draft date in order to stop Electronic Funds Transfers for the following month. The YMCA may assess a service charge for all returned checks or returned EFTs.

### **FIXED TERM PAYMENTS**

Those members paying ahead on a yearly or semi-yearly (Fixed Term) may cancel their membership at any time. This is also true for Membership participants paying quarterly. A pro-rated refund will be given to the member.

### **CARDS**

All membership identification card(s) are property of the YMCA and must be surrendered upon membership cancellation. Lost cards will be replaced for a service charge.

### **JOINING FEES**

The joining fee is a one-time, **NONREFUNDABLE** fee subject to continuous membership.

### **TRANSFERS**

Memberships are not transferable to any other YMCA outside the YMCA of Columbia-Willamette. Memberships are not transferable between individuals.

### **MEMBERSHIP ON HOLD (MOH)**

A membership may be placed on hold (MOH) for \$10 fee per month and will be automatically deducted from a members account. This option preserves the member's joining fee investment, eliminates required payment of member's dues during the (MOH) period, and reserves their place as a YMCA member. To facilitate MOH processing, either a written application or request through the member's online account must be received at least 5 business days prior to the next draft date in order to adjust Electronic Funds Transfer. Payment of dues will automatically reactivate at conclusion of the Membership on Hold period.

### **CANCELLATION AND OTHER CONDITIONS**

When a membership is cancelled, the member forfeits their full joining fee. Should the member wish to rejoin, they must reapply and pay all applicable joining fees and current month dues. A cancellation request must be made through member's online account or be made in person at least 5 business days prior to the draft date in order to stop Electronic Funds Transfers for the following month. Membership ID cards) must be turned in at the time of cancellation. Cancellations will only be accepted in person and through member's online account; they will not be accepted via phone, fax, postal mail or email. If personal items are left on YMCA property, they will be donated to a worthy cause. The YMCA reserves the right to unilaterally modify the terms and conditions of membership or the providing of services.
