YOUTH DEVELOPMENT

Child Watch
The YMCA provides quality care for children ages 6 weeks to 12 years of age while parents participate in Y activities. With a wide range of activities to stimulate your child’s creativity, self-esteem and independence, our trained basin/drop-in staff are experienced in the latest social, physical and emotional building blocks.

Group Exercise
At the Y, the facilities, equipment, programs and staff to support you. Make friends, increase your self-confidence, and improve your spiritual, mental and physical health.

Group Exercise programs are fun and interactive ways to engage members in activity and physically impact their health. Tailored to body builders, group exercise classes provide a variety of experiences that are designed to engage members in a supportive community.

Quiet Exercise
Yoga has been practiced for thousands of years across the world. As a great way to build strength, flexibility and healing, without putting undue stress on your body. Its meditative, flowing class atmosphere cultivates a wonderful sense of inner peace and security. With a variety of yoga classes from beginner to advanced, there is something for everyone to enjoy the mental and physical benefits of this practice.

Personal Training
Personal training is all about finding your strength within. We are here to help each client find their personal training/fitness. With a personal training fitness expert on hand, you can be assured you go home with a real sense of knowledge and accomplishment after every session.

Active Older Adults
It is an amazing demonstration of trust by their parents. The Y provides youth development programs because young people need caring adults to provide support, guidance and encouragement every day, more than 200 children are in the care of our YMCA.

Camps
We offer a variety of camps that are located right at our school.

School Enrichment
Various enrichment programs that are located right at your school.

Healthy Living
The Y provides healthy living programs because wellness in sport, mind and body strengthens you and improves your quality of life. When children learn to swim, they can build confidence, discover their personal best and have fun.

Swimming is a life skill as well as great exercise and a challenging sport. The Y offers swim lessons for all ages, families, swim, competitive swimming, and many kinds of adaptive water fitness programs for adults, so we can all safely enjoy the pleasures of an aquatic environment.

AQUATICS

YMCA camp programs will give your child the opportunity to enjoy the fun and competition that our swim team to join. We believe that all people deserve the opportunity to enjoy the fun and competition that our swim team to join.

The Y is the starting point for many youth to learn about becoming and staying active. The benefits of learning to swim are more than just physical. When kids learn to swim, they can build confidence, discover their personal best and have fun.
