

WESTSIDE YMCA INCLEMENT WEATHER CANCELLATION PROCEDURE

Westside YMCA Youth Sports will follow the Beaverton Public School District closures. If the district schools and facilities are closed all daytime and evening activities/events are cancelled.

When the weather turns severe in the afternoon, a decision will be made by 1:00 p.m. as to whether the evening activity will be held or not. Therefore, when the schools close due to inclement weather, all basketball games and practices will be cancelled.

Coaches should visit the Beaverton School District Website for the most up to date information.

On Saturdays, decisions are made by 7:30 a.m. as to whether the activity will be held or not. The YMCA will send an email to all coaches if there is a change to the schedule. All coaches should relay any and all information regarding changes to the schedule immediately to all players.

Because our program takes place primarily out in the school district we may not be in the office to answer your call. If you have any questions the quickest and easiest way to get a hold of a Westside YMCA representative is to email westside@ymcacw.org. The email account is checked by multiple staffers and we will get back to you as soon as we can.
