**10<sup>th</sup> Annual Reflecting Camp's Glow  
Benefiting the YMCA's Kids to Camp Scholarship Fund  
A Celebration of Food, Fun, Fellowship and Fundraising**

For 92 years, YMCA Camp Collins has been helping youth in our community learn, grow and thrive. Each summer, nearly 1,900 children participate in overnight camp and day camp at YMCA Camp Collins. Attending summer camp is more than a summer activity for kids. It's a place for values, learning, skill building, personal growth and fulfilling dreams.

We believe every child in our community deserves the opportunity to experience camp. To make this a reality, each year hundreds of underserved children are awarded with camperships or scholarship assistance through our Kids to Camp Scholarship Fund. One of the ways we raise money for this scholarship fund is at our annual Reflecting Camp's Glow fundraising dinner and silent auction event.

This year's event will be held on Saturday, February 24, 2018 at YMCA Camp Collins. Over 200 attendees, including local community and business leaders, camp alumni, friends of camp, and camper parents, will gather to raise money for the scholarship fund, while hearing and seeing the impact a summer camp experience can have on a young boy or girl. Our event goal is to raise over \$35,000.

We are seeking your help to reach this goal. One way you can help is by participating as a sponsor of this year's event. Enclosed is a list of the sponsorship opportunities available and what you will receive as a sponsor. The money raised through this event and other donations throughout the year will provide over \$120,000 in financial support for a summer camp experience to more than 400 deserving children.

Camp Collins provides children an opportunity to learn and grow in an outdoor environment, builds self-esteem, helps them explore new interests, and discover unknown talents. By providing children a place to belong, they learn the importance of community that can have a lifelong impact. Thank you for your consideration and support to help send kids to camp.
