SPECIALTY DAY CAMPS

YMCA specialty camps provide a range of positive day camp experiences for your child.

The camps include Sports, Lego, Clay and Art, and each week offers a different theme. By the end of each week, kids develop a better understanding of a specialty area and learn new skills while developing their abilities.

Entering Grades 2 – 5

YMCA Sports Camps focus on individual skill development as well as the team ideals of sportsmanship and camaraderie. These week long sessions are designed to accommodate both playful and serious young sports fans. As campers grow and learn each activity, they can increase their skill level. We give them incentives to continue to achieve throughout their camp experience, gaining more advanced skills, and having a ball along the way.
