

HELP US FILL THE BAG

Healthy food is essential, but many families in our community are struggling to afford it.

How You Can Help

Host a Food Drive

By hosting a food drive, you build a neighbor to neighbor connection, facilitating generosity in our community.

Donate Surplus Foods

By donating surplus food, you prevent healthy foods from becoming waste and re-route it to the tables of families in our community.

Sponsor Protein Purchase

By making a donation to Hunger Initiatives, you allow the Sherwood Y's food pantry to supply meat or dairy options to our neighbors every week.

In 2023, food pantry visits in Oregon and Southwest Washington surged to 2.5 million, a 31% increase from the previous year.

The USDA's funding freeze on the Commodity Credit Corporation (CCC) has led to a 17% reduction in food supply for Oregon food pantries, cutting essential items.
